REGENCY  
SENIOR LIVING

Dear Families, Loved Ones and Team Members of Regency at Augusta,

As of September 22, 2021, at 4:00pm all restrictions for Assisted Living have been lifted. Visitation will resume as normal. Please continue to help us keep our Residents safe and Healthy by wearing a mask and checking into the kiosk at the front desk upon entering the community.

However, the restrictions in our Innovations Memory Care will stay the same until the morning of Monday September 27<sup>th</sup>. We will continue to follow all CDC guidelines and VDH protocols.

Here are a few things we will continue to do to keep our team and residents safe and healthy:

- Social distancing is being practiced
- Multiple daily temperature and pulse oximetry checks for all residents
- Frequent disinfecting of our community
- Team members are completing a screening questionnaire and having temperatures checked daily upon entering the community
- Strict adherence to CDC hand washing and sanitizer guidelines
- All team members will wear proper PPE while offering care to our residents
- Masks will be provided for residents to wear during care provided by team members

Please reach out to us if you have any questions or concerns. On behalf of Regency at Augusta, we appreciate all of your support during this time.

Best Regards,
